THINK PARKING

Information For Members and Friends Who Will Participate In 2006

The Club has an agreement with the Boston Red Sox to operate the parking lots at City of Palms Park for any events held there. The spring training games of the Red Sox is our busiest time and one of our major fund raisers - this will be our fourteenth year. Members are asked to participate by working a portion of several games. Our snowbird friends are welcome and appreciated. We have more fun and get to know each other better in the parking lots at ball games than anything else the Club does.

Here's how our parking operation works and who's who:

- **Parking Committee Chairman: BOB BEVILLE.**
- **Team Captains:** The boss that day - the decision maker. Expected to arrive at 8:30 AM for day games and at 2:30 PM for night games. Checks that every body shows up and fills vacancies if necessary. Is responsible for two-way radios. Jumps in to help when and where needed. Makes sure that sandwiches are ordered and picked up. With staff, collects money. Recruits workers.
- **Workers:** Collect parking fees at gates and directs all traffic to parking spaces - wears a big SMILE and has fun while doing it.
- **Telephone Committee: GUY WALTON,** Chair. Phones workers the day before the game they are to work to remind them of the time to arrive - reports to Team Captain for that day after calls are made.
- **Staff:** Stocks cooler with drinks and ice, keeps stock of shirts, caps, vests, and jackets on hand at games. Arrives same time, or earlier, as TC. Unlocks gate on Grand Ave., gets golf cart, checks lots, places signs and generally gets set up for the day. Provides banks (change money) to Team Captain. Collects money from gates and with TC sorts bills, etc. and turns in to BRS. Staff is not expected to remain in the parking lots all day - may come and go.

Everyone is to wear the shirts, caps, and safety vests provided and khaki (tan or light brown) slacks or shorts while working in the parking lots - please don't wear anything else - - - no funny hats, etc.. Jackets will be on hand for cold or wet days. Safety vests and jackets are to remain with the club - don't take them with you. The shirts and caps are yours. Make-ups will be given for each game worked.

At any time after the games start - first game is Friday March 3rd - you find that you can not work the shift that you are signed up for - YOU are to contact the TC for that game and you are also expected to find some one to take your place. Please don't call the office after games start. If you have any questions get them answered before the first game.

(Continued next page)

When working for work drive through the main gate of the west lot on Grand Ave. about 50 yards north of Edison Ave. Park along first row, against hedge.

ICER ANDERSON - Senior wearing BRS shirts and caps provided may enter the stadium through the door marked "Lee County Sports Authority." Do not enter at any other point. Rest rooms are located directly across the concourse. You may go in to the seating area and watch the game, if you are the **Mixed 1st Place** in any unoccupied seat, but give it up cheerfully. **DO NOT DRINK BEER** while wearing Red Sox shirts and caps - you are perceived as a BRS employee..

If you must reach one of us while we're working, Bob Beville can be reached at 841-1684 and Rusty at 994-5700.

HAEL BROWN Junior

White Badge / Blue Badge
Are you still wearing a White name badge? Have you completed the several new member requirements? Then why don't you have a blue badge??? A couple of you have told us "Yes" to the first two questions and the answer to the third one is "You shall have one as soon as we find out what we're doing." We need your help ~ and promise results.
