The Club web site, address above, is first class and fully functioning, thanks to David Yates. If you're not familiar with it we suggest that you take the time to at least take a look. If you do this we're sure that you'll soon discover that David has done, and continues to do, a great service to the Club, which we appreciate very much.

In addition to general Club information, you'll find that the Yak is here each week (if we remember to e-mail it), and most exciting to us is the recent addition of parking info. Just click on "Learn about and SIGN UP for Spring Training Parking Here." The 'sign up' page is easy to use and works just fine, and the new full schedule of all the games is a great improvement - thanks to Fred Anderson.

An up to date schedule will be displayed at our meetings.
