

The First Two Games Are One Week From Friday !!!

And look at all the vacant slots in the schedule! **Help!**
 Bob Beville and his Team Captains have some recruiting to do, so if you're not signed up yet with your name on the schedule, **Please** save them the task of chasing you down by getting signed up **Today!**
 We'll have shirts and caps ready following next week's meeting. After that we will always have them in my car at the games.
 Let's make our **Fourteenth Year The Best Yet!**

And we can only do this if we **All Take Part.**

I'll be there will, **You ?**

No E-mail, No Fax, No Computer, and soon No Office

But we're just going to keep on keeping on, best we can. President Steve and I had a meeting with the Attorneys in the building across from the Yacht Club last Tuesday afternoon. We have been offered the office in that building on the end near the river - can't get any closer to the Yacht Club - it is adequate for our use and will not require any remodeling but will be a little tight in the Board room. Asking price is \$14.00 per square foot per year - with 1150 sq.ft. that comes out to \$1,342.00 plus sales tax per month. President Steve asked if they would consider lowering the price to our Rotary Club. That decision has to be made by the Miami office of that group of attorneys. We are now waiting for the answer.

In the meantime we have made a commitment to vacate our present office by the end of February and a deal with Skip Rollins and Ray the Mover to move all our stuff on Wednesday the 22nd - tomorrow! To where? Wouldn't it be nice to move directly into a new office. It's just not possible to rush this any more, so we'll just have to wait.

David Yates had taken our office computer to his shop to do some work on it, upgrade, etc., and we still don't have it back. So we're doing this on our computer at home and don't have a lot of information available, like birthdays. For the time being we'll just have to cope with the situation and make the best of it. The office phone is still connected but I may not be there - you can leave a message or get me on our home phone 334-0750 or cell 994-5700.

The 4-Way Test Song

Can we say that it's the Truth?
 And Fair to all Concerned?
 Will it serve to build Goodwill?
 And Better Friendships earn?

If it's Beneficial, too,
 And we're sure that we've done
 Our best,
 Then we'll know that we in
 Rotary
 Will have met the
 4-Way Test!
