

Four Down ~ Only Thirteen to Go

And with number five going on right now as you read this, that makes only twelve after today. Boston Red Sox home training games, that is, for those of you who don't know. And how's it going? Very well, thank you - thanks to all the members participating. Friday turned out to be a long day for us - 7:30 AM till after 8 PM - two games on the same day - but there's only one day like this and everything after that is downhill. The two college games on Friday surprised everyone - we filled the West lot both games and the East lot well over half full for both. Frankly, it feels good to get back out there - those of you who choose not to work with us are missing out. And having 'Da Boss' certainly has improved my disposition. When you look around and see a Bank President and a TV Executive parking cars and a gal who is only a proposed member taking cash at the gate plus all the others involved, you can't help but be proud of your club.

Doing Rotary work at home isn't all bad either, if you don't mind a dog on the desk. Would be better if Cherry's mother wasn't in the guest room, but that's the way it is. Two computers with all the printers, etc. spread around Cherry's desk makes the place look impressive, now if I could just figure out how to use them.. Can't find anything when I want it - which box is it in?

President Steve told us last week that we now have the proposed lease in hand for an office directly across the street from the Yacht Club. Now looks like we'll be moving in there first week in April. We will be asking for help when we make this move, so stay in shape - working in the parking lots is an excellent way to do this.

Skipping the March Board meeting was discussed but Prez Steve thinks it best to proceed as scheduled which is having the meetings on the second Tuesday of the month, and the second one in March is next week - the 14th. It will take place at 7 AM in the Waterman Broadcasting building - NBC-2 and ABC-7 - 3719 Central Ave. Make sure that you read the Prez's newsletter and listen to the announcements today.

Delinquent Dues

Don't know why, but it happens about twice a year - for reasons unknown to us a number of members do not pay their dues until they get a handful of statements. We mail statements on or about the first of July and the first of January, and it takes about three months to get them all cleaned up. We mailed 21 reminder statements last week - Please pay your dues.

ask stan vaughn about his daughter's dog.

R-O-T-A-R-Y

R-O-T-A-R-Y That spells Rotary,
R-O-T-A-R-Y is known on land and sea,
From North to South, from East to West,
He profits most who serves the best;
R-O-T-A-R-Y, That spells Rotary.

SMILE

Smile, and the world smiles with you,
Sing a song.
Don't be weary, just be cheery all day long.
Whenever your trials,
Your troubles and your cares
Seem to be more than you can really bear,
Smile, and the world smiles with you,
Sing a song!

Love at first sight is easy to understand. It's when two people have been looking at each other for years that love becomes a miracle.
